

Killed In Action

LIEUT. W. T. CALDWELL

LIEUT. W. T. CALDWELL IS KILLED IN ACTION

Lieut. Wilma T. Caldwell, United States Army Air Corps and combat pilot based in the British Isles, reported missing in action after a bombing mission over France, was killed in action on August 22, 1943.

Mr. and Mrs. Wilma T. Caldwell, Sr., parents of the flyer, received a telegram from Secretary of War Stimson Tuesday, stating that their son had been killed in action.

The telegram from the Secretary of War said that the International Red Cross in Germany had received confirmation of the Lieutenant's death from German army officials and had communicated the news to the government.

Early in September Mr. and Mrs. Caldwell received a telegram from General Ulio, Adjutant General of the Army, stating that Lieut. Caldwell was missing in action. No additional information had been received up to Tuesday.

Mr. and Mrs. Caldwell are living at North Camp Hood where he holds a job with the post engineers.

Lieut. Caldwell volunteered for the air corps and was commissioned shortly before leaving for England. He was one of few men who attained the rank of pilot while a Sergeant. He flew the B-26 Martin Bomber better known as the Marauder, world's fastest ship in the bomber field.

A letter which is to follow the telegram received Tuesday may give additional details on Lieut. Caldwell's death.

In Maritime Service

FRANK HROZEK, JR.

Frank Hrozek, Jr., is in the Maritime service of the United States, having enlisted in June 1943 and his duties are an instructor who trains men for lifeboats as they enter the Maritime Service.

Frank is the son of Mr. and Mrs. Frank Hrozek, Sr., of Rosebud. He graduated from Yoe High School in 1943 and lost little time in getting into service for his country.

The Maritime Service has been an active focal point in the progress of the war and the men who fly the flags of the merchant ships are doing a noble job. They get the convoys through and deliver the weapons of war.

OCTOBER IN HISTORY

October 6, 1918—U. S. Troops captured St. Etienne and the famous 36th division went over the top in violent fighting.

Mrs. William McIntosh has returned to Cameron after a visit with relatives at Dalhart, and is with her parents, Mr. and Mrs. Henry Hefley, and has taken up her position at the First National Bank here.

COURT ACTION HERE ON BRIDGE RIGHT OF WAY

Failure to agree on the findings and award of a court of review here some months ago on right of way needed for the new bridge across Little River, has led to court action.

On Monday in county court presided over by Judge Jeff T. Kemp trial of a case in which H. M. Akers is asking some \$18,000 damages for what he alleges will occur if and when the new bridge is built.

Originally Mr. Akers would not agree to sell the county the right of way across the bottom. A board of review was named by the Commissioners' Court and offered Mr. Akers \$1000 for the land. Mr. Akers declined and another board of review was named and recommended that the county pay \$3000 for the right of way and the county declined.

Condemnation proceedings were instituted and according to information to The Herald Mr. Akers, through his attorneys Camp & Camp, filed an answer and is seeking to recover some \$18,000 in damages. Mr. Akers asks about \$14,000 for damages to his home which he claims will be hemmed in by a dump and will cut passage to his property south of the highway.

The case is being tried before a jury and has been in progress since Monday.

Sgt. Seeley Storey Gets Oak Leaf Cluster As Award

Staff Sgt. Seeley M. Storey of Cameron, gunner, army air corps, has been awarded the Oak Leaf Cluster for attacks in the face of strong enemy opposition and adverse weather.

Sgt. Storey had previously received the Air Medal for action over Japanese bases in the Alutian islands.

At present Sgt. Storey and wife are visiting relatives in Cameron. He has been an instructor in gunnery at a Florida air base, since his return from the Alaskan theatre.

Sgt. Storey was given the Air Medal following a dangerous exploit and mission over the bay off Attu island. A tail gunner on a B-26 Marauder bomber, the ship took off from its base with a plan to sink a large Japanese cargo vessel in the bay off Attu. As their bomber came in on the target a Japanese shell hit the belly of the ship and Sgt. Storey had a narrow escape. They sunk the ship.

The mission was considered a dangerous one due to the distance and difficulty in carrying a sufficient fuel supply for the round trip.

FARMER BACKS THE ATTACK SAYS JONES

College Station—"The record of American farmer on the home front will match that of his sons on the battlefield—and that is the greatest compliment I can pay," Marvin Jones, War Food Administrator said.

The American farmer was on the offensive before the war started. He had produced more food in 1938 than in any previous year in our history. In 1939, he produced even more, and still more in 1940. At the time of Pearl Harbor in 1941, the 1940 record had been broken.

Jones pointed out that the American farmer was already in action at his battle station when Pearl Harbor was attacked. The nation's warehouses were filled with the largest reserve supplies of food in our history.

When war was declared, the farmer did even better. In 1942, in the face of farm labor and machinery shortages, he beat the record of 1941 by a full ten percent. "And this year, the American farmer's answer to the increasing difficulties was to plant ten million more acres than last year, to milk more cows, to raise more pigs and to feed more cattle than ever before, in his determination to 'Back the Attack,'" Administrator Jones said.

"The September crop report indicates near record yields on the largest acreage in ten years, and including meat production, the largest food production of any year in our history—breaking all previous records once more, for the sixth consecutive year. "Nor is that all. Our program for next year calls for still greater food production. We expect to get that production on a voluntary basis."

Now In Oregon

PFC. ARTHUR ZALESKY

Pfc. Arthur Zalesky is now on maneuvers at Bend, Oregon, and has been in the service since November 1942.

Pfc. Zalesky was born and reared in Cameron, the son of the late John Zalesky and Mrs. Zalesky. At one time he was associated with his father in business here and at the time of his induction had been living in Taylor.

He was inducted into the service on November 25, 1942, at Camp Wolters. At present he is stationed at Camp Adair, Oregon, having been transferred there on December 12, 1942. He is bugler for his company in the infantry and does reconnaissance work.

Mrs. John Zalesky, the mother, resides in Cameron.

BOND TOTAL TUESDAY WAS \$5,793,772.00

Milam county's bond total at 3 p. m. Tuesday was officially \$5,793,772 it was announced from the office of Emory B. Camp, assistant treasury representative.

The figures published Monday were based on a report that the quota had been oversubscribed \$300,000. Corrected totals now show \$17,000 more than was reported Monday.

It was said that several days may be required to get all reports. The grand total of war financing by the people may be near six millions.

Coon Hounds Wanted By Seagoville Man

Maybe the war has done much to revive primitive and pioneer habits and practices. At least here is a man who wants to know if he can buy good coon hounds in Milam county.

Tuesday The Herald received from R. L. Ansley of Seagoville, Texas, Rt. 1, a classified ad. He wants to buy two No. 1 coon hounds.

Milam county bought \$5,988,479.25 in war bonds of the 3rd Loan according to final tabulation just made in the office of Emory B. Camp, assistant treasury representative.

Here is the list of purchases as compiled for the several communities of the county:

Bredt & Haley Co. Opens Feed Business In Cameron Territory

A major business development of the month was the opening in Cameron of the feed business of Bredt & Haley Company.

The company owned by George E. Bredt and Frank M. Haley has purchased the feed mill of the Anderson Grain Company and in addition have established a large warehouse and mixing plant in the building south of the Santa Fe station.

The mixing plant and the mill are now in operation and large quantities of feed are being produced.

The Bredt & Haley Company is also operating at Rockdale where the business was established some years ago to grow into one of the largest in Central Texas. Mr. Bredt is in charge of the Cameron plant and Mr. Haley operates the home plant at Rockdale.

Leo O'Neill, formerly with the Agricultural Adjustment Administration has accepted a position with the company here as bookkeeper.

Mrs. Bredt is in Cameron with her husband and is also in the offices. Cameron extends a cordial welcome to these fine people and neighbors in business wish them every success.

JESS NEELY DIES IN CAMERON TUESDAY

Jess Neely of Milano, died at 11:30 a. m. Tuesday, October 5, 1943, in the Cameron Hospital.

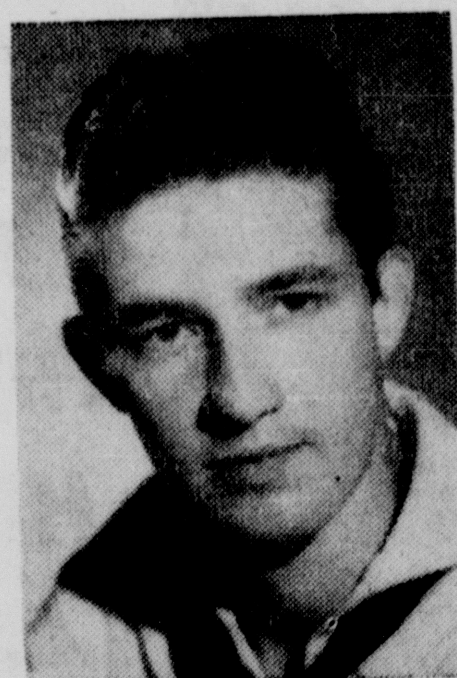

Mr. Neely had been critically ill for some time. He had been a resident of Milano for many years.

Funeral services will be held at Concord, Texas, Wednesday morning October 6, 1943, at 11 o'clock.

Edward Sexton, employee of Bredt & Haley is reported recovering nicely in the Newton Memorial Hospital after having been overcome by monoxide gas poisoning a few days ago.

There must be something in the air of Milam County conducive to the production of master sergeants. At any rate, of these six master sergeants stationed at the Coffeyville, Kans., Army Air Field, five are from Milam county. The "furriner" in the group is from Georgetown in Williamson county. The lad on the bed is M/Sgt. Edwin F. Ondrej of Cameron, who broke an ankle playing baseball. The others from left to right, are M/Sgts. Joe V. Ondrej, Edwin's brother, also of Cameron; Charley D. Todd of Gause; Joyce D. Candler of Georgetown; Leonard L. Seeling of Rockdale, and Dee Hitt, Jr., of Cameron.

Naval Intelligence

LAWRENCE P. ZOTZ

Lawrence P. Zotz, Yeoman 3rd Class, United States Navy, is now somewhere in the Pacific.

Zotz is with the intelligence Service of the Navy and at present he is teaching two classes of shorthand daily and attends accounting classes four hours a day. He does 8 hours of regular work thus rounding out more than a due share of the work.

He is the son of Mr. and Mrs. Otto Zotz of Cameron, a graduate of Yoe High School and Tyler Commercial College.

Many friends here will be glad to have this word from him and to note the fine progress he is making in the service of the navy.

New Premium Deal Is Announced by Robin Hood Flour Dealers

Esslinger & Killen, exclusive local dealers for Robin Hood Flour, announced a new premium offer of timely importance and of great value to housewives.

This time oven glassware, two beautiful crystal clear pie plates and a custard cup, are given with flour purchases. Sacks of 50, 25 and 10 pounds each assure you of one of these oven glass dishes.

"We believe this is the best premium offer we have ever had," said Mr. Esslinger, "and we are certain that many here and over the trade territory will be glad to hear the good news."

Robin Hood Flour has a good distribution here and users will no doubt take early advantage of these offers.

ARMISTICE DAY TO BE OBSERVED HERE

At a regular meeting of the Edwin Hardy Post, it was decided to have the annual Armistice celebration as usual with a big turkey dinner at noon and a dance at night.

"Even though we are now in the midst of another world war that dwarfs the first one, the veterans of this first world war will always consider Nov. 11, as a red letter day, because on that day in 1918, the Armistice was signed and the war was won even though the peace was lost," said P. W. Davis, former Post Commander.

The Legion plans to have as honored guests for the day, fifty convalescing casualties from McCloskey Hospital, and have contacted Col. Julian C. Hyer, Judge Advocate of the Eighth Service Command in an attempt to secure him as Speaker for the occasion.

The merchants of the city are asked to close their places of business from eleven until two o'clock so that they and their employees may enjoy the outstanding program that is to be presented. A committee from the Legion will call on the merchants asking their co-operation.

All committees to handle the days activities were appointed by Commander Bob Bennett at this meeting and they are now at work to insure a successful celebration.

Shoe Stamp No. 18 Good Indefinitely

Shoe Stamp No. 18 in your ration book is good now and will be good for an indefinite period of time, it was announced here by J. M. Boehner of the J. C. Penney Company, and head of the committee on public information for the Office of Price Administration.

Mr. Boehner points to a paragraph in OPA news which reads as follows: "Announcement that the present shoe stamp, No. 18, will be valid indefinitely is good news. It can be used to buy a pair of shoes anytime, a week or month, or a year from now and this will prevent a recurrence of the stampede to shoe stores that resulted last June when stamp No. 17 expired."

Somewhere In Pacific

TSGT. FRANK KLECKA

T/Sgt. Frank Klecka has arrived safely overseas according to information just received by his parents, Mr. and Mrs. Anton Klecka of Marak.

T/Sgt. Klecka has made a fine record in the army. He entered the service on October 8, 1940, a volunteer, one among a large number of young men in the Marak community who placed themselves at the disposal of the government when war threatened their country.

He reported for duty at Fort Sam Houston where he was stationed for a year and six months and was then sent from Camp Swift at Bastrop. From there he went to duty in the Pacific.

During the course of his early days in the army he prepared himself for the battles ahead by attending army schools. He accordingly was at Aberdeen, Maryland, Springfield, Illinois and Akron, Ohio.

T/Sgt. Klecka has an important assignment. He repairs cannon and operates motor equipment.

As a boy Sgt. Klecka attended the school at Marak where he obtained his early education. Many friends will be glad to have this word from him.

FARM LOAN INTEREST RATES ARE REDUCED

E. F. Lanham, Jr., Secretary and Treasurer of the Belton National Farm Loan Association, has received information that the Board of Directors of the Federal Land Bank of Houston has authorized the lowering of the interest rate to 4 percent on all Federal Land Bank loans, made through national farm loan associations, that now bear interest rate at above 4 percent per annum, effective July 1, 1944.

This reduction in the contract rate of interest will affect about 80 percent of the Land Bank borrowers in this area. Prior to 1935, loans were closed at 4 1-2 to 6 percent, depending upon the cost of money in the bond markets at that time. All Land Bank loans have been made at a contract rate of 4 percent since March. The action of the Board of Directors of the bank in effect guarantees that the rate will not go higher than 4 percent for the life of the loan. This voluntary reduction of the contract rate of interest is made possible by the successful operation of the land Bank System of co-operative credit which is designed to make available necessary farm credit at low rates and on long terms.

Rainfall Now 3.78 With More in Sight

Rainfall up to noon Thursday had reached a total of 3.78 according to Richard Hester, local weather bureau reporter.

The fall Wednesday afternoon was .79 in a downpour, the hardest of the present season.

Most of the rain has fallen slowly. According to reports gathered by the Herald rain has fallen in nearly all sections of the county.

Awning Danger Here Pointed Out; City Needs Face Lifting

A number of citizens have asked The Herald to call attention of the property owners as well as the city government to some dangerous awnings on business buildings.

One of the awnings singled out is the leaning piza canopy at the Cameron Hotel. Whether this awning is unsafe we do not know but the corner would knock the cap off Tom Thumb if he didn't stoop.

Cameron needs a face lifting and in spots a good bath. Buildings so utterly bad as to create hazards should be repaired. Awnings especially are dangerous when allowed to get in a bad state of repair.

Roping Club Meets To Get Brahmas

The Roping Club met Friday night at the Court House to reorganize and to buy another bunch of Brahma calves.

John Batte presided and will continue to act as President of the club. A number of memberships were paid and the deadline for obtaining membership was set for next Thursday.

Anyone who wishes to join the club should see Mr. Batte for particulars.

People Get Break With Pointless Meat

Here's a break for the Cameron table—pointless meat for a pointless menu, is the way Muse Market and Grocery advertises.

Muse has purchased a large number of prime goats, has fed poultry, fish and geese. Sounds good and is good. You can buy a half or a whole goat and surrender no points from your ration book.

This will be a meaty week end for otherwise meatless tables.

A. F. Mitchell of Corsicana, paid a flying business visit to Cameron Tuesday. Mrs. Mitchell stopped over in Rosebud to visit with relatives while Mr. Mitchell was here. He was delighted to meet his many old time friends, they formerly lived in Cameron for a number of years.

JOE MOORE GOING BACK TO THE BIG LEAGUE

Indianapolis, Ind., Sept. 28.—Joseph Gregg (Jo Jo) Moore who, lacking only 30 days of being a 10-year man in the major leagues, was shipped to the minors two years ago by the New York Giants despite his lifetime big league batting average of around .300, is going back to baseball's big time.

The Indianapolis Indians of the American association, for whom Moore played the last two seasons yesterday sold the still sprightly veteran center fielder (he'll be 35 Christmas day) to the Philadelphia Athletics.

A .315 batting average and brilliant defensive performance led to Moore's latest promotion but Indianapolis fans have been wondering for two seasons how he ever happened to be sent out of the major leagues.

Moore, a native of Gause, Texas, went to the Giants in 1932 from Jersey City, and played in 86 contests. He hit .305 that season and maintained an average close to that figure during the next six years, getting a high .331 in 1934. He was ranked as

one of the top defensive outfielders in the majors and owned a powerful throwing arm. His hitting slumped in 1939 to .269 and in the next two years he hit about 25 points below the .300 mark.

Moore was in three world series, 1933, 1936 and 1937 and had a batting average of .274, including .391 in 1937.

In his first year here, the fleet-footed gardener hit .281 but this season he tacked 34 points onto that mark. He says he will be ready next spring to join the A's and complete his month of play to be eligible for the 10 year major league class.

Mrs. William McIntosh has returned to Cameron after a visit with relatives at Dalhart, and is with her parents, Mr. and Mrs. Henry Hefley, and has taken up her position at the First National Bank here.

Making it HOT for HITLER and HIROHITO

Among those responsible for the Axis headache, none have done a finer job than America's heroic steel workers. From their furnaces come 90 million tons of steel a year to make the guns, bombs, bayonets, armor plate and other weapons that are making it hot for Hitler and Hirohito on every fighting front on the globe.

All honor to them who risk their lives daily to "say it with steel"!

BOND TOTAL IS SHORT OF GOAL IN COUNTY

Milam county was short of its quota of \$5,477,000 in war bonds but the top was in sight, said Emory B. Camp, assistant treasury representative.

Sales Friday totaled \$186,000 a fine sum in the final stages of the greatest and most successful bond selling campaign in the history of the county.

The total at 4 p. m. stood at \$5,415,684 and only about \$62,000 short of the quota.

Mr. Camp said that the quota will be reached, that already enough money is in sight to guarantee that.

Turn Mad Dogs Loose On Enemy Suggested By Old Timer Here

The Herald has an unusual protest today.

We join with our good friend K. P. Fisher in protesting the slaying of mad dogs in Cameron. Instead, we think they should be caught and shipped to the war fronts to bite the Japs and the Nazi.

City Marshal Lunsford might save a bit of ammunition if this can be worked out.

Mr. Fisher whose life has touched the badlands on the frontier of three states knows how effective direct methods can be in any situation demanding a good fight.

Sgt. Fritz R. Galler has returned to Louisiana, where he is on maneuvers.

Killeen Defeats Georgetown Eagles

Gale Tolliver, deluxe half back of the Killeen Kangaroos, carried his team to their first conference win Friday night against the Georgetown Eagles 9 to 0.

After a scoreless half Killeen recovered a Georgetown fumble on the Eagle 15 yard line. A pass and a drive off tackle by Tolliver brought the score, a 6 point touchdown.

A field goal in the fourth quarter gave the Kangaroos another three points. The Eagles made a desperate attempt to score but were turned back. The Eagles had the edge in first downs.

It was the first conference game for both teams. Georgetown comes to Cameron next Friday night.

Film for Stressing Fire Prevention On Screen at Cameron

A special film to emphasize Fire Prevention Week has arrived at the Cameron Theatre and will be shown from October 3 to October 9 during the tenure of Mayor Green's proclamation.

The film was obtained by Fire Chief W. G. (Jack) Henderson from P. B. Caldwell, Jr., of Chicago.

The film will be a regular daily feature at the Theatre for the six day period of the observance.

Mr. and Mrs. L. F. Slama had as their guest on Sunday her brother and wife, J. R. Berndt, Mr. and Mrs. Conrad Fry, Alma Arnst and Mrs. Emmie Roland, all of Caldwell.

Beans

So long as a soldier can eat and think up disparaging names for his equipment the Army will do all right. Food is either "beans," or "chow."

"Chow" may consist of a well cooked meal or if circumstances demand our fighting men have learned to subsist on "Ration K," the concentrated food that all of them carry into battle.

With millions of men and women in the services it will require a lot of War Bond buying on our part to keep them happy.

ALLIES TAKE NAPLES AFTER HARD FIGHTING

All southern Italy is now in the hands of the Allied Nations forces. It was announced at noon Friday.

With the occupation of Naples which was invested by the American Fifth Army under General Clark on Thursday the entire southern portion of the Fascist leg is held by our forces.

The Germans are in retreat, having been beaten everywhere in Italy.

The situation in the Balkans was growing worse for the Germans. Revolts have broken out and the Yugoslavs whom the Germans say are being led by a British Major Jones are in possession of a number of key points. An Allied invasion of the Balkans is said to be imminent.

The Turkish Press Friday was making demands on the Bulgars to return territories seized at the outbreak of the war.

The Communist party in Rumania was said to be challenging the government of Antonescu.

Evacuation by the Japs of bases on New Guinea was reported with the American destroying barges and taking a heavy toll of Japanese lives.

The Red army preparing to take Gomel in the Caucasus region and Hitler's boast that he will hold the Dneiper line was taken by Allied propagandists as an idle threat. The Russians seem capable of any move against the Germans.

Cpl. John W. Brown Visits Utah Governor And Is Photographed

Men from Milam County are in the war picture everywhere and a very signal honor has recently come to Cpl. John W. Brown, the son of Mr. and Mrs. Will M. Brown who live near Rosebud in this county.

In a recent issue of a prominent Utah newspaper, Cpl. Brown and another service man are pictured with Governor Herbert B. Maw of Utah who is signing a proclamation to promote the showing of the picture, "This Is the Army."

Cpl. Brown was selected to go to the governor's office because of his neatness and soldierly appearance. The Governor is signing a proclamation for the picture the proceeds of which will go to the army relief fund. The film was shown in Salt Lake City on August 17.

Cpl. John W. Brown, son of Mr. and Mrs. Will M. Brown of Rosebud, was inducted into the service on Feb. 17, from Cameron and was first sent to Fort Bliss, then to Camp Roberts, Calif., in the Field Artillery.

On March 3, he received his diploma and was also awarded a medal for marksmanship. He was then sent to Presidio, Calif., where he was placed in the Military Police Detachment. Then he was sent from there to Salt Lake City or Fort Douglas Utah. At present he is located in Boulder City Nevada. While in Utah he was chosen as a witness on account of neatness, with Governor Maw when signing proclamation to Aid Army Relief Plans.

Charlie Stone, who injured his back while working at Freeport, on the fourth of July, has now returned to his home in Cameron from the Newton Memorial Hospital. His many friends will be glad to know that he has returned home and to know that he is doing nicely.

Grady McDonald who is stationed at Orlando, Fla., is at home in Cameron visiting friends and relatives. He is on furlough and will be here about two weeks.

NO INVASION FROM CHANNEL THIS YEAR

There will be no invasion of the continent of Europe this year across the English channel, said a report Friday from London.

The report was based on a statement by Donald M. Nelson, War Production Board Chief, now in the British Isles.

Mr. Nelson said that within the next few months the United Nations face a critical production problem and do not now have sufficient power in weapons to strike the enemy the desired blow.

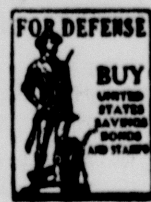

Lieut. Sam Tyson Returns to Air Base

Lt. Sam Tyson, Bombadier, left Cameron early Tuesday afternoon for the Army Air Base at Harvard, Nebraska.

Lt. Tyson has been visiting his parents, Mr. and Mrs. Dan Tyson in Cameron for several days and is now returning to his base.

Lt. Tyson is attached to a combat unit and hopes to soon reach theatres of operations. He has made excellent strides in his work and as a Bombadier, critically important position aboard a bomber, has received the commendation of his commanding officer on his work.

Lt. Tyson flies aboard a B-17 Boeing, better known as the Flying Fortress.

FIRE PREVENTION WEEK IS PROCLAIMED HERE

Mayor Leland Green has proclaimed Fire Prevention Week for Cameron beginning October 3rd. Here is the Mayor's proclamation:

PROCLAMATION BY THE MAYOR
To All to Whom these Presents Shall Come:

October 3rd through October 9th is FIRE PREVENTION WEEK. We all know that fire is our enemy whenever and wherever it stops production, destroys property and reduces our homes to ashes. Today it is vitally necessary that we prevent destructive fires. Records reveal that the cause of fires, to a large extent, can be controlled by education and law enforcement.

Due to the war emergency, the safety of human lives and the destruction of property it is the patriotic duty of every citizen in Cameron

to aid in the prevention of fires.

NOW, THEREFORE, I, Leland Green, Mayor of the City of Cameron, Texas, hereby proclaim the week of October 3rd, 4th, 5th, 6th, 7th, 8th and 9th, 1943, as

FIRE PREVENTION WEEK in Cameron. I urge all citizens to co-operate to the fullest and encourage the enforcement of fire prevention rules.

Let us all work to lessen the disastrous consequences of fire.

IN TESTIMONY WHEREOF, I have hereunto signed my name officially and caused the seal of the City to be affixed hereto on this the 1st day of October, A. D. 1943.

LELAND GREEN,
Mayor, Cameron, Texas.

Mrs. Bill Alex Bonds of Cameron visited in the home of Mr. and Mrs. Alex Triggs of Calvert on Tuesday. Mr. and Mrs. Alex Triggs returned to Cameron with her to visit in the home of his father, W. H. Triggs.

TODAY ... your Appliance Repairman needs your cooperation! You can help him help you!

Because appliance manufacturers (who supply your Appliance Man with repair parts) are engaged in war production, fewer repair parts are available. Your Appliance Repairman must await his turn at getting necessary repair parts after he orders them! Delays in completing repair work are usually entirely beyond his control. He will appreciate your remembering this when you take your appliances to him for repairs.

And, by the way, do carry your small appliances needing repair to him... it will save valuable time and help him speed up his service to you.

Take good care of your electric appliances... guard their usefulness... because their value to you and your family is beyond price! Instructions on their care and maintenance may be had at any office of Texas Power & Light Company.

Your Appliance Repairman is eager to help you keep your appliances working for Victory!

Pig Boat

At sea on a submarine isn't exactly the "life of Riley." In the Battle of the Atlantic, or on the great stretches of the Pacific these sailors know the hazards of their work.

One of the spots aboard these "Pig Boats" that all crew members enjoy is the galley, or kitchen. Space limitations prevent an elaborate setup, but cooks aboard these vessels are justly proud of the meals they prepare for their crews. Your increased purchase of War Bonds helps make submarine life as pleasant as possible.

Texas was due to reach the quota by nightfall. Many of the states have already oversubscribed.

CARD OF THANKS

To express our gratitude for kindness we take this method that each one may know how deeply we appreciate every act of kindness and word of sympathy spoken at a time when our hearts were heavy with sorrow, the death of our dear brother, Otto Jistel. In such an hour we had need of your understanding and it came to leave with us lasting gratitude. We will hold in grateful memory each one who came. We wish to express appreciation for the masses and flowers and to all who is any way assisted us.

Postmaster J. R. Hays Brings Rotary Progm.

Postmaster J. R. Hays brought the program for the Rotary Club on Wednesday, discussing the history of the Cameron postoffice and the growth in its annual volume of business.

Mr. Hays said the Cameron post office was established March 8, 1847, and he gave the names of each of the postmasters and the dates they served.

Albert Gallatin was the first Postmaster and Mr. Hays now serving his 9th year is the present postmaster. In another story the Herald will bring the names of the postmasters.

Mr. Hays disclosed that the Cameron office had grown rapidly and although short of help is doing a good job in giving postal service. City and rural routes have been extended since he became postmaster and an average of 12,000 pieces of mail are handled daily.

MAJOR BATTLE LOOMS ON ROAD TO ROME

A major battle in which from 7 to 10 German divisions will take part loomed Wednesday as General Clark and the American Fifth American army drove to within about 60 miles of the Italian capital.

Driving hard up the north coast of Italy the British 8th was intercepting all important highways from Rome to the Adriatic and the Germans have been outflanked in part but were determined to make a stand and Rome will be defended as was Stalingrad according to Hitler who has marked off a blood line.

Fear was felt that Rome may be destroyed by the Germans but no matter what the consequences may be to the city the Allied armies will soon besiege the city.

Heavy fighting was in progress at noon on the road up from Naples. There was heavy air activity as well.

Generally the war picture was growing darker for the Allies. The Germans, aided by weather seem to have stopped the Russians at the Dneiper River where Hitler said his line must be held.

Pfc. James Cryer who is temporarily stationed at Kelly Field, visited family and friends in Cameron over the week end.

Joe Lankford Picks 360 Pounds Cotton on His 60th Birthday

Former Constable Joe Lankford has set the best example that has come to our attention thus far of the necessity for everyman to do his job during the war.

On September 16th he celebrated

his 60th birthday by picking 360 pounds of cotton in high grass in the bottom on the George Black farm.

Mr. Lankford has a long record of service as a peace officer and his example of hard work is something to inspire others. "When I have a job of work to do I believe in getting it done," said the Hanover resident.

Rev. J. R. Ritchie Dies at Buckholts

When Rev. J. R. Ritchie, pioneer Methodist Minister, died on the morning of September 18, 1943, his passing from the stage of action in Texas marked the close of an exceptional career not only as a religious leader but that of a citizen whose 80 years spanned the historic periods of the state's progress.

Rev. Ritchie well deserved the tribute that he was one of the builders of Texas for he was a native Texan, born January 16, 1863, in Rusk county.

He married Miss Mary Fairchild in 1893, and to them were born four children: Mrs. E. E. Robertson of Dallas, Miss Smithie Ritchie of Dallas, S. W. Ritchie of Dallas and Mrs. J. W. Meyer in Buckholts.

On March 10, 1920, Rev. Ritchie married Mrs. Nannie Rebecca Stuart and to this union was born one child, J. R. Ritchie, Jr., deceased.

Surviving are four children as listed above and four grand children as fol-

lows: Mrs. Travis Carr, Dallas, Judy Kay Ritchie, Dallas; John Ritchie Meyer, Buckholts; 1st. Lt. E. E. Robertson, Jr., in the armed forces and now stationed in New Guinea in the South Pacific. One step child, Mrs. Leslie James of Wills Point, survives.

As a young minister Rev. Ritchie joined the Texas Conference in 1903. He continued actively in the ministry of the Methodist church until he retired and was superannuated in 1930.

During his ministry Rev. Ritchie served the following churches: His first appointment was at Hemphill, Texas, and other churches served were in order as follows and all in Texas: Clayton, Woodville, Liberty, LaRue, Alba, Malakoff, Jacksonville Circuit, Grand Saline, Cedar Street Church, Tyler; Marshall Circuit, Centerville, Buckholts 4 years; Lexington and Cason, after which Rev. and Mrs. Ritchie located at Wills Point, living there for 8 years. Mrs. Ritchie died in the year 1929. After the death of Mrs. Ritchie he made his home in Buckholts with his daughter, Mrs. J. W. Meyer where he died on the morning of September 18, 1943.

Rev. Ritchie was a Mason, raised when a younger man but in recent years had not been active. He had been a member of the Woodmen of the World for many years.

Funeral services were held Sunday morning, September 19, 1943, at 11:30 at the home of his daughter, Mrs. J. W. Meyer in Buckholts. Rev. Bob L. Pool of Cameron Methodist church, conducted the services and was assisted by his father, Rev. T. L. Pool of Lindale, Texas.

Church services were held at Wills Point at 4:30 p. m. Sunday, September 19, 1943, with Rev. S. S. McKinney, district superintendent of the Tyler District, in charge, assisted by Rev. Hollingquist of Wills Point, First Methodist Church and Rev. G. B. Carter of Grand Saline.

Interment was made in the cemetery at Grand Saline in the family burial plot with the Phillips & Lucky Funeral home in Rockdale directing arrangements.

We are here to give the news.

GERMANY POUNDED IN NEW BLASTS BY AIR

Germany and German occupied territories in Europe have again felt the bitter shock of aerial warfare.

The Royal Air Force and the American 8th Air Force were active over the continent Sunday in what was described as a very heavy attack. Frankfurt in Germany was bombed heavily.

The British Isles did not escape attack though the Luftwaffe has not been active in force for some time over the island.

American medium bombers, principally the Marauder, B-26 bombers, have been in the vanguard of the stepped up air attacks on France. German air fields and installations have been blasted with heavy attacks. The losses have been light. The Germans lost 41 planes on October 1st in trying to fight back the waves of Allied bombers and fighters sweeping in across the channel.

In Germany Dr. Goebbels, fabricator, has come out flatly to say that Heinrich Himmler, the Gestapo chief must now rule Europe and if Germans find they cannot take the punishment meted out by the attacks they will be shot.

The Red army was showing no signs of letting up. Pressing their attacks the Soviet were bidding fair to push the Germans back to the borders of the Baltic states and Poland. While in the Caucasus region the Red army was pushing forward there were signs of German collapse in the Crimea.

Commentators are certain that Rome will be destroyed by the Germans. The American 5th Army has pushed 35 miles up the road to Rome while the British 8th Army is keeping pace in a long line south from the Adriatic coast.

AMERICAN 5TH ARMY ON ROAD TO ROME

The American 5th Army is on the road to Rome, having put smoldering Naples in the background.

The Americans and British are 32 miles north of Naples and a noon report said that the Road to Rome is open.

The Germans are being blasted by American aircraft as they retreat. Concern is felt by many over the possible fate of the Italian capital. Will the Germans sack and burn the city as they did Naples? President Roosevelt expressed concern over the fate of the city which must be attacked.

The President has assured the Pope that the Vatican city will be spared and that every effort will be made to protect the city of Rome when the attack comes as it must.

If the Germans elect to abandon Rome the occupation should come quickly. During the next few days the fate of the city should be apparent.

The Reds are within a hundred yards of the East bank of the Dnieper River and are pushing the largest scale attack of the war against Kiev.

The Washington front was quiet with Senator Burton K. Wheeler, the Nazi, trying to prevent draft of fathers. He assured the nation that fathers will not be taken as long as single men are available and in so doing is keeping up his fight to obstruct the war effort.

Draft boards generally will resume classification work after October 1st.

Clarence McCall, Jr. In Navy Flying Center

Athens, Ga.—Clarence D. McCall, Jr., yeoman second class, USN of Cameron, has reported to the U. S. Navy Pre-Flight School here for three months of intensive physical toughening and instruction in advanced ground school subjects. Upon successful completion of the course, he will be transferred to a Naval air station to begin progressive flight training preparatory to joining a combat unit.

McCall, son of Mr. and Mrs. C. D. McCall, Rt. 2, enlisted in the Navy in January, 1941. He completed Naval Flight Preparatory School at Natchitoches, La., and was transferred here from the CAA War Training Service School, Conway, Ark.

19,450 Bales Cotton Received at Compress

Cotton is moving fast through Cameron and the compress is feeling the thrill of big business again.

Up to noon Friday 19,450 bales had been received at the warves of the Cameron Compress Company.

Cameron has been a large cotton concentration point for many years. It is not an uncommon sight to see bales stacked on open ground wherever available.

Mr. and Mrs. Arledge Observe 60th Year of Happy Wedded Life

Friends in Cameron and elsewhere Saturday were extending congratulations to Mr. and Mrs. John R. Arledge on the occasion of their 60th Wedding Anniversary.

They are spending the day quietly at their home in Cameron. They had received a number of telephone calls, some from grand children and they

were happy to be thus remembered.

Mr. and Mrs. Arledge are both pioneers in Milam county. They were married in October 1883. One son, Coy C. Arledge lives in Cameron and their only daughter, Mrs. Addie Thompson lives in Stafford, Texas.

AT PENNEY'S

It's patriotic and wise, nowadays, to save money every way you can—to save and put your savings into War Bonds! Save by making everything last longer. Save by not buying useless and trivial things. Save, too, by shopping regularly at your J. C. Penney store for things you really need!

The less you buy the more you need Penney values.

Penney's still offers, as it always has, the highest quality merchandise that can be had, at the lowest possible prices.

You don't pay for costly extras, for frills, or "front" at Penney's.

And there's another thing about Penney's that's a big help in this wartime year.

The folks who work at your Penney store are people who know this town and its wants and needs. Their chief concern is to help stretch your budget and to see that you get merchandise that will serve you and suit you well.

It pays big dividends to shop at Penney's.

PENNEY'S

Your County War Fund is another "Victory weapon."

The United War Chest of Texas through war fund organizations in every county of the state is charged with the responsibility of raising \$4,885,781.00 for the 17 approved war appeals of the National War Fund. The national goal is \$125,000,000.

Each of the 17 participating agencies was carefully budgeted to stretch every dollar contributed before it received the approval of the President's War Relief Control Board.

Texans now are being asked to take a Texan's share in their County War Funds to aid three fronts with one gift—the Military Front, the United Nations Front, and the Home Front. Remember, President Roosevelt has said that a share in the National War Fund is a share in winning the war. Use this "Victory weapon." Give to your County War Fund.

THE 17 PARTICIPATING AGENCIES ARE:

- ★ USO
- ★ United Seamen's Service
- ★ War Prisoners Aid
- ★ Belgian War Relief Society
- ★ British War Relief Society
- ★ Dutch Relief Fund (Queen Wilhelmina Fund)
- ★ French Relief Fund
- ★ Friends of Luxembourg

Mystery Colt Named "Liberty" Ice Book Goes to Mrs. Falkner

Cameron's mystery colt has been named.

He is "Liberty," the name selected from the large number sent in and Mrs. Willie E. Falkner of the Southwestern Bell Telephone Company.

The judges found another name which they thought was good and designated it No. 2, but the colt cannot have two names for "Liberty" was chosen.

The second name praised was "War Loan III" and was sent in by Mrs. C. W. Hudson.

The colt was foaled by a gray mare that pulled an ice wagon all summer and the surprise of the colt's appearance in the lot that morning back in August when the ice delivery men went to hitch up for the day's work, prompted Grady Little to offer a \$5 ice book for the best name.

Another development in the life of the colt is noteworthy. They have found his papa and now they are just a happy family with "Liberty" growing stronger every day while getting the affectionate care and attention of all the crew who service the ice station.

Texas Bar President Visits Friends Here

Major T. Bell, President of the Texas Bar Association, was in Cameron Monday visiting old friends and arranging with members here details of important work the association is doing.

Mr. Bell as a young man and student in the University, recalled with good humor the days when he sold aluminumware in Cameron to finance his way through the University John B. Henderson of this city, who at one time planned to follow in the footsteps of his famous father, the late T. S. Henderson, was a law student also for a year and classmate of Mr. Bell.

Settling in Beaumont some years ago he has forged rapidly to the top as a lawyer and has just been named President of the state bar association.

M. G. Cox, Cameron lawyer, holds an important assignment in the state bar association to direct policy on constitutional questions.

AMERICAN FIFTH ARMY IS ENTERING NAPLES

The American 5th Army under General Clark was investing Naples at noon Thursday and the fall of the city was accomplished as a two pronged attack closed in on the burning metropolis of Salerno.

The Germans said they were evacuating Naples which means they were driven out.

The City was in ruins, said a noon report. The Germans were carrying out a systematic demolition of all installations, including the harbor.

Many Italian citizens have been shot to death. The Germans say the Italians are communists and they are quelling uprisings.

The Reds are crossing the Dneiper, in what strength, was not known but the Germans were preparing the home front for the bad news.

Little Raymond Perry celebrated his 12th birthday Sunday October 3, with a birthday party. Camp Hood Soldier Loses Watch; Friends Aiding in Search

Pvt. Lawrence E. Butenschoen of Camp Hood has lost a valuable watch somewhere between Cameron and the dance hall at Buckholts. The watch was lost on the night of September 4 and in an effort to aid him in the recovery of his watch, The Herald takes this method of appeal to the people.

The watch is valued not only because of its intrinsic worth but because of sentiment for it was given Pvt. Butenschoen by his family.

The watch is Latham manufacture is silver with a Swiss movement, and has a black leather band. Inscribed is the following: "Larry, from the Family." The under crystal is non magnetic and of stainless steel. The watch is waterproof.

Friends of Pvt. Butenschoen are

making every possible inquiry to aid him in the recovery of his watch.

Here is the correct address in case anyone finds or locates the watch: Pvt. Lawrence E. Butenschoen, Company S, 635th Tank Destroyer Battalion, Camp Hood, Texas.

NATION OVER TOP IN 15 BILLION WAR LOAN

Secretary of Treasurer, Henry Morgenthau announced at noon Thursday that the American people had subscribed the 15 billion dollar quota set by the government in the 3rd War Loan.

Texas was due to reach the quota by nightfall. Many of the states have already oversubscribed.

The nation will also oversubscribe the loan.

Ruth Griffith and Thelbert A. Crittenden Are Married In Home Of Bride Here Saturday

Miss Ruth Griffith became the bride of Thelbert A. Crittenden here Saturday evening, the ceremony being performed in the home of her parents, Mr. and Mrs. Roy Griffith.

The ceremony was attended by immediate members of the family and a few close friends. Rev. Bob L. Pool, pastor of First Methodist church, performed the ceremony. Immediately following their marriage Mr. and Mrs. Crittenden left Cameron for a short wedding trip, returning

on Monday.

The bride, born and reared in Cameron, is a graduate of Yoe High School and for some time has been in the offices of the Texas Power & Light Company here as cashier. Mr. Crittenden, was reared at Rockdale and for the past year or more has been with the Hefley-Stedman Motor Company, except for a brief service in the Naval Air Corps.

Friends here extend hearty congratulations.

FANNING-ELKINS

Miss Elizabeth Fanning, daughter of Mr. and Mrs. W. M. Fanning of Cameron, became the bride of E. Hartzel Elkins, son of Mrs. Rowena Elkins of Angleton, at 8:00 p. m. Friday at the Stewart Memorial Chapel of the Galveston Baptist Church. Dr. Harold L. Fickett read the impressive ring ceremony, before an altar of white Gladiola.

Mrs. Ira M. Powell, pianist and Ira M. Powell, vocalist, presented the music which included, "Ah, Sweet Mystery of Life," "Because," and the wedding march.

Mr. Fanning gave his daughter in marriage. The bride wore a street length dress of Robin Egg blue, Dalton crepe designed with draped neckline. Her accessories were black and she wore a callotte of black tulle. Her corsage was an orchid. For something old she wore the cameo lavalier which her mother had worn at her wedding.

Mrs. Samuel Durham of Galveston attended the bride as Matron of Honor. She wore a gold crepe dress. Her corsage and callotte were lavender asters.

Holland O. Howell of Galveston served the groom as best man.

After the ceremony the couple left for a wedding trip to New Orleans, La. The bride's traveling suit was of gold Jerome crepe with cinnamon accessories. After the wedding trip,

the couple will be at their home at 2117 Avenue L., Galveston.

The bride's mother wore a tailored dress of Navy Crepe, and the groom's mother wore a soldier blue crepe. Their corsages were pink asters.

Mrs. Elkins is a graduate of Yoe High School and attended Mary Hardin-Baylor College. For the past two years she has been employed by the U. S. Engineers Office of Galveston.

Mr. Elkins, a native of Angleton, attended Schreiner Institute for two years and Texas A & M for two years, he also did special study in architectural engineering for Kellogg Construction Company of Texas City.

Miss Delphya Scott returned from Fort Worth Monday afternoon where she visited with Mr. and Mrs. W. J. Weston, and her mother, Mrs. H. C. McKee. Mr. Watson is recovering from his stroke of last winter and is getting on nicely, able to be out and enjoying life once more. Mrs. McKee is in fine health and Mrs. Gladys M. Watson is holding down her account position with the Worth Garmen Co. of Fort Worth. They have recently completed making over their cottage home on Lake Worth, adding more room and modern conveniences and are doing fine. They ask about their many friends here.

Corp. Julian Harris from Geneva, Nebraska, is visiting his wife, relatives and friends.

"Hers To Hold" Is Tops In Screen For Month; Opens Thursday

"Hers To Hold," considered one of the year's most significant romantic dramas, comes Thursday to the Cameron Theatre. Deanna Durbin is co-stared with Joseph Cotten in the new Universal production. Charles Winninger, Evelyn Ankers and Gus Schilling have outstanding roles in the impressive cast.

Enthusiastic advance reports indicate that the picture is an unqualified triumph for Miss Durbin and the selection of Joseph Cotten to be her leading man was a happy studio choice. The story's logical timeliness, too, is said to enhance the film's unusual appeal.

Role Is Career Highlight

Deanna, it is declared, has the best role of her remarkable screen career. She appears as a debutante who goes to work in a war industry and finds romance as well as the satisfaction of serving her country. Cotten portrays an Army flyer whose loyalty to the service very nearly thwarts his devotion to the girl he must leave behind. Climactic sequences, announcements say, have more serious dramatic depth than any in which Miss Durbin has previously appeared.

Nella Walker and Ludwig Stossel are others in the cast and the formidable production staff lists such names as Frank Ryan, the director, Felix Jackson, producer Lewis R. Foster, scenarist, John D. Klore, story author and Frank Shaw, associate producer.

Of particular interest are realistic scenes which were photographed inside the mighty Vega Aircraft plant at Burbank, Calif. Special Army authorization was required for the making of these scenes which show sections of the vast enterprise in action.

Songs which Deanna sings in the picture include the popular "Begin The Beguine," "Kashmiri Song," "Say a Prayer For The Boys Over There," and "Seguidilla," from Carmen. Charles Pervin was the film's musical director, and the photography was handled by Woody Bredell.

Mrs. Max Schwinger of Rt. 2, Cameron, returned home Tuesday from the Newton Memorial Hospital, following a very successful operation.

Friends of Vince Horelica, Sr., will be glad to know that he has returned home from the Newton Memorial Hospital much improved.

MILAM HITS NEW HIGH IN WAR FINANCING

Milam county has oversubscribed the 3rd War Loan Quota by more than \$300,000 it was reported officially late Saturday by Emory B. Camp, assistant treasury representative.

Mr. Camp reported that the over-subscription was \$300,000 and with more sales yet to be reported. The final total will not be known until the sales made later in the day Saturday are tabulated.

According to the figures released the grand total of bonds sold up to Saturday afternoon was \$5,777,000. The quota for the county was \$5,477,000.

Oxsheer Smith, President of the Citizens National Bank, and central figure in the bond drive, may qualify for the distinction of the nation's No. 1 bond salesman. Mr. Smith put Milam county into the national spotlight in April when the county oversubscribed the bond quota by a larger percentage than any other county in the nation.

Mr. Camp, engaged in court Monday, was not able to give the figures he may have assembled. Several days may also be required to get the complete count.

The 3rd War Loan was participated in by more individuals than in any other loan in the history of the county. Large buyers also shared more in the burden of financing the war.

Midget Newspaper For Ship at Sea

A copy of the Prom-Repairit, newspaper published aboard the ship Prometheus, has just reached The Herald through Emory B. Camp.

The paper was enclosed in a letter from Gordon Baskin, aboard the ship. The paper is the same size of the Daily Midget and as there are two Cameron boys aboard this ship the Little Daily may have given the publishing staff an idea.

Max DuBois, son of W. DuBois, Santa Fe agent here, is aboard the ship and his name appears in the comments.

The paper is published by the ship's staff of editors and their Chaplain, C. A. Frame, is editor.

Gordon Baskin has been in the navy

since war came on, leaving his insurance business here until the war is over. The ship, Prometheus is a repair ship.

Pvt. Robert Lee Shoaf who is stationed somewhere in California is at home on furlough visiting friends and relatives. This is his first trip home since he was inducted into the service, and his friends will be glad to know that he is at home.

A. F. Mitchell of Corsicana, paid a flying business visit to Cameron Tuesday. Mrs. Mitchell stopped over in Rosebud to visit with relatives while Mr. Mitchell was here. He was delighted to meet his many old time friends, they formerly lived in Cameron for a number of years.

From where I sit...

by Joe Marsh

One of the best-liked farmers in these parts is Bert Childers! And he has the best way of beatin' the man shortage, too.

Come husking time, Bert invites all of his farmer neighbors over to have a glass of beer. When they ask politely "Where's the beer?" Bert points to a bucket-full of frosty bottles in the middle of the field.

"All you got to do," he says, "is work your way out to it."

Well, Bert's idea has caught on all over the countryside.

Folks are pitching in to help their neighbors harvest grain, and fruit, and vegetables—and are taking their reward in sociability when the job's done.

And from where I sit, that's a mighty healthy picture of American life—people working together to get in the food this country needs—and afterwards, sittin' around like good friends, over a moderate glass of wholesome beer. I'm for it!
